## About Us ::

Government Degree College came into existence in 1980 which was initially affiliated to Andhra University with B.A. & B.Com Sections. Introduced Science sections in 1988 and got UGC -2(f) & 12 B recognition in 1988. Catering the educational needs of around 1000 students from the economically marginalized sections of the rural areas.

Since 2012, the college has been affiliated with Adi Kavi Nannaya University. The college offers a diverse range of programs catering to various disciplines. There are 12 departments encompassing conventional and restructured undergraduate programs, along with a postgraduate program. In its pursuit of academic excellence, the college achieved autonomous status in 2017.

In 2017, three restructured science programs B.Sc. Maths, Chemistry, Computer Science; B.Sc. Botany, Chemistry, Computer Science; and B.Com. Computer Applications were introduced. Meeting the growing interest in Life Sciences, a conventional B.Sc. Botany, Zoology, Chemistry program was added in 2018. Further catering to regional demands, B.Voc. Pharmaceutical Chemistry and B.Com. Accounting & Taxation programs were introduced in 2020. The year 2021 saw the introduction of the restructured B.Sc. Mathematics, Physics, and Web technology program.

As per NEP- 2020 guidelines, our institution introduced 4 years UG Honors since 2023-24

The college boasts a sprawling campus of 22.14 acres with three academic blocks. Student friendly, well-furnished classrooms provide a conducive learning environment, while well-equipped laboratories for Physics, Chemistry, Computer Science, and English support practical learning.

### ACADEMICS

Start of Even Semester Class work II, IV, VI

Start of Semester Internship

One day Workshop o “Recent Advances in Chemistry

National Consumer’s Day

# IQAC CALENDER- December

## 2024

DECEMBER		
1	World Aids Day (NSS)	1-December
2	World Computer Literacy Day (Computer Science)	2-December
3	World Soil Day ( Chemistry, Botany & Zoology)	5-December
4	National Energy Conservation Day (Physics)	14 December
5	Human Rights Day (Politics)	10-December
6	National Chemistry Day (Chemistry)	10-December
7	National Mathematics day	22-December
8	National Farmer'sday	23-December
9	National Consumer Rights Day (Commerce & Computer Science)	24-December
10	Christmas	25-December
11	International Bio-diversity Day (Botany & Zoology)	29-December

**World Aids Day-01/12/2024**

**NSS**

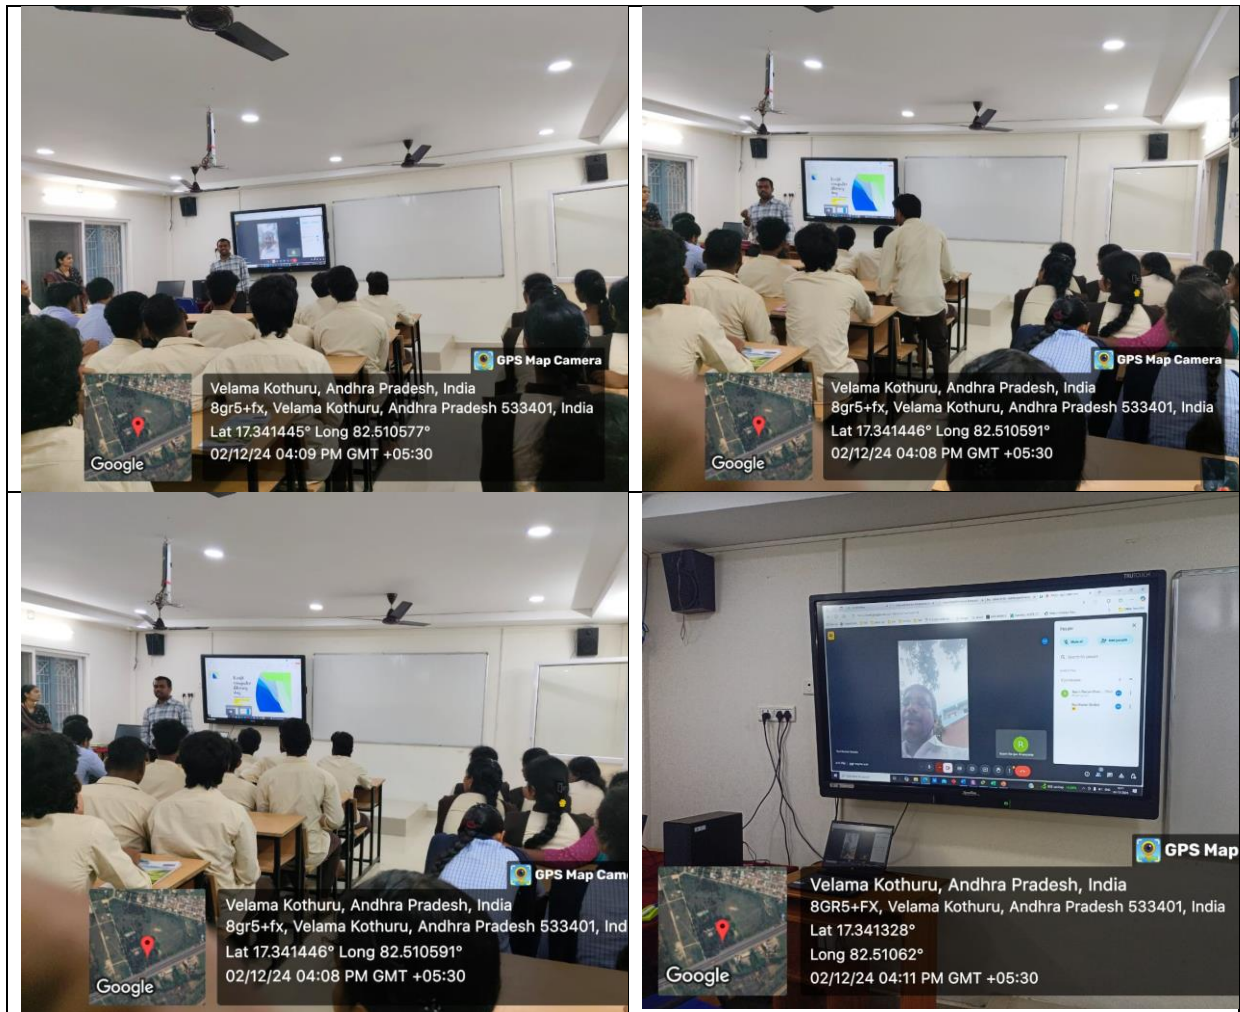

World AIDS Day was conducted by NSS & RRC on Dt: 02-12-2024. Sri.M.Srinivasu, Vice-Principal, all staff members and students were participated in rally at adopted village Velama Kothuru and formed a Human Chain. Theme of the World AIDS Day in 2024 is **“Take the rights path: My health, my right!”** emphasizes the importance of healthcare access and the empowerment of individuals in managing their health.

## COMPUTER LITERACY DAY- 2/12/24

### DEPARTMENT OF COMPUTER SCIENCE

The primary objective of celebrating World Computer Literacy Day on December 2, 2024, organized by the Department of Computer Science and Applications, was to promote and raise awareness about the importance of computer literacy in the modern world. The event aimed to highlight the role of computer education in empowering individuals, bridging the digital divide, and fostering innovation.

**World Soil Day 05/12/2024**

**Department of Botany and Zoology**

**World Soil Day is celebrated annually on 5 December.** The theme for this year is "Caring for Soils: Measure, Monitor, Manage". Department of Botany Conducted an awareness Programme on healthy soil and sustainable soil management practices by the Head of the Department Botany, Sri. K.V.G.K. Varaprasad and S. Dhilleswararao, HOD, Chemistry.

**NATIONAL ENERGY CONSERVATION DAY 14/12/2024**

**DEPARTMENT OF PHYSICS**

Department of Physics observed National Energy Conservation Day on 12<sup>th</sup> December 2024. In this connection, D. Lakshmi, HOD Physics and A. Simhadri, Lecturer in Physics explained students about importance of energy Conservation and ways to conserve Energy also laid emphasis on India's achievements in energy conservation and efficiency with special attention on Solar Energy.

HUMAN RIGHTS DAY -10/12/2024

DEPARTMENT OF POLITICAL SCIENCE

Department of Political Science organised an awareness programme on World Human Rights Day. G. Bharathi, Lecturer in Political Science started the programme with inviting guests and B. Nagaraju, Lecturer in charge Arts Department delivered a speech on emergence of the day, history, theme and importance to promote equality, peace, justice, freedom and the protection of human dignity. Every individual is entitled to have rights irrespective of race, colour, religion, sex, language, or social status. A. Pushpalatha, IQAC Coordinator, Lecturer in charge Telugu Department explained about the duties and responsibilities to be held in order to protect rights. D. Lakshmi, Lecturer in charge Physics other staff and students participated.

**One-Day National Seminar “Recent Advances in Chemistry**

**DEPARTMENT OF CHEMISTRY**

Department of Chemistry of our College organised a One-Day National Seminar on “**Recent Advances in Chemistry**” in collaborations with Royal Society of Chemistry (London), Local Section Deccan (RSC-LSD), Hyderabad, India.

The seminar commenced at 9:30 AM with an inauguration ceremony presided over by **Dr. C.H. Lalitha**, Chairperson. She highlighted the significance of recent advancements in chemistry and their impact on various scientific and industrial sectors

**Session 1: started with the topic Generic vs. Branded Drugs** by Dr. V. Peesapati, Chairman, RSC-LSD Hyderabad, and Retired Professor, Osmania University discussed on the role of regulatory standards and quality control in the pharmaceutical industry. **Session 2: Bio-degradable Composites for Packaging & Medicinal**

**Applications** Emphasis on reducing environmental pollution through green materials.

**Session 3 emphasised on Luminescence & Applications** in chemical sensing, imaging, and light-emitting devices **Session 4: Analytical Techniques** role in analyzing and separating chiral compounds.

The seminar successfully brought together experts and participants to discuss cutting-edge topics in chemistry. It provided an excellent platform for knowledge sharing, collaboration, and exploring the scope of innovations in the field.

NATIONAL MATHEMATICS DAY 22/12/2024

DEPARTMENT OF MATHEMATICS

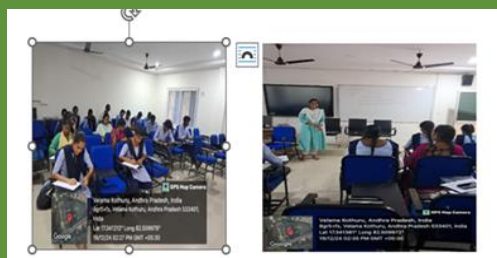

National Mathematics Day was observed by the department of Mathematics on 22<sup>nd</sup> December 2024. In this connection department conducted Competitions like short film making, Koun Banega Mathematician. A Guest Talk also organised with Dr. M. Sundari, Associate Professor of CMI on “Origami: An Introduction” on 21.12.2024.

DEPARTMENT OF ECONOMICS

National Farmer's Day celebrates annually in India since 2001. This day is dedicated to farmers and also marks the birth anniversary of Chaudhary Charan Singh, the fifth Prime Minister of India, who was devoted towards farmers' welfare. In this connection, the Department of Economics conducted an awareness programme on 23<sup>rd</sup> December 2024 at the Digital Classroom and explained the significance of the day and Charan Singh's contributions towards the agriculture sector. A slide presentation competition was conducted in this regard. A programme 'Thank a Farmer' was initiated by the Dept of Economics and Zoology. Students visited Talluru Village located in Tuni and distributed Vermicompost made by students to 20 farmers.

**NATIONAL CONSUMERS DAY**  
**CONSUMER CLUB, DEPARTMENT OF COMMERCE AND ECONOMICS**

Consumer Club, Department of Commerce and Department of Economics of our college conducted the following Activities on the eve of Consumers day .

- ❖ Consumer day Pledge and rally on 18/12/2024
- ❖ Essay Writing and Elocution Competitions on **“Virtual Hearings & Digital access to Consumer Justice”** on 19/12/2024 & 20/12/2024 respectively.
- ❖ Poster Presentation on 21/12/2024 on the theme “Digital Consumer rights protect yourself online
- ❖ An Awareness Programme on National Consumer’s Day and Prize Distribution on 23/12/2024

## CHRISTMAS – CULTURAL CLUB

Christmas celebrations in our college reflects simplicity and unity. Students and staff decorated the seminar hall along the Christmas tree with handmade ornaments and lights. The day features carol singing, and the entry of Santa Claus bringing everyone together. Presenting the gifts to the active participants in the programs and the message highlights the purpose of the first coming of Christ & his principles of joy and love. Despite limited resources, the celebrations are heartfelt and memorable.

## WOMEN EMPOWERMENT CELL

**Extension Activity: Guest Lecture & Demonstration on Good Touch and Bad Touch to Girl Students at G T W Ashram Girls High School, Tuni**

An extension activity, rally on Women's Rights & against domestic violence on women conducted by Women Empowerment Cell. An extension activity i.e., Guest lecture & demonstration on Good Touch and Bad Touch to girl students at Government Tribal

Welfare Ashram Girls High School, Tuni conducted by Women Empowerment Cell. In this connection, Guest Lecture given by Dr. A. Pushpalatha, IQAC Co-Ordinator to girl students. Hemalatha II BSC (Chemistry) & Snehalatha II BSC (Chemistry) gave demonstration on Good Touch and Bad Touch.

Awareness Program on Carrer Guidance & Personality Development conducted by Women Empowerment Cell and associate with NSS & IQAC collaborate with Department of Youth Services, SETRAJ:kakinada.A.Satya Sireesha gave message on how to develop personality development, there are four category of people like Weavers- Weak mind discuss others, Average minds discuss events and Great minds discuss ideas. Victims- they blame themselves- self-criticism, build negative mindset. Villons–They harm to others. Victors-successful people. Everybody has these four categories of mannerism but what we practice that only reflect in our lives. So, there is need to choose the right way in our lives, choose correct career for youth. Change of work is rest then we get productive output.
